Alfheim Online

Sword Art Online is an Anime series that spans two seasons. Sword Art Online is a Virtual Reality Massively Multi-player Online Role-Playing Game. It was released in 2022 with the Nerve Gear. It stimulates the user's five senses via their brain, players can control their avatars with their minds.

The series starts in an online game called Sword Art Online (SAO). The game traps 10,000 players inside the game. The only way to exit the game is to defeat the final boss on the 100th floor of the game's tower. However, if you die in the game, you die for real.

After the events of Sword Art Online, another virtual world becomes the setting for the series. This world is called Alfheim Online (ALO). In this world, 300 of the players from Sword Art Online haven't awoken as they are being used for mind experiments.

The third virtual world is called Gun Gale Online (GGO). In this world, there is a mysterious connection between the game and deaths occurring in the real world.
